WHAT IS AN MUN?

A Model United Nations (MUN) is an academic simulation of the United Nations where students represent different countries and debate important global issues. Delegates research their assigned nation's policies, deliver speeches, engage in negotiations, and collaborate to draft resolutions addressing challenges such as international security, climate change, human rights, and economic development. MUN provides a platform for students to enhance their public speaking, critical thinking, diplomacy, and leadership skills while gaining a deeper understanding of international relations and global governance. It encourages constructive dialogue, teamwork, and problem-solving, helping participants become informed, confident, and responsible global citizens.

It gives me immense pleasure to extend a warm welcome to all delegates, faculty advisors, and distinguished guests to VJPS MUN 2026. At Vidya Jain Public School, Rohini, we have always believed that education is not merely the acquisition of knowledge but the development of informed, compassionate, and responsible individuals who are prepared to contribute meaningfully to society. Model United Nations stands as a powerful platform that brings this vision to life.

In an increasingly interconnected world, young people must possess not only academic excellence but also the ability to understand diverse perspectives, engage in constructive dialogue, and address complex global challenges with wisdom and empathy. VJPS MUN 2026 has been envisioned as an opportunity for students to immerse themselves in the world of international relations, diplomacy, policymaking, and collaborative problem-solving. Through rigorous debate and negotiation, delegates will explore contemporary issues, defend national interests, and work collectively towards sustainable and practical solutions.

Beyond committee sessions and resolutions, MUN is a journey of personal growth. It nurtures confidence, strengthens public speaking abilities, enhances critical thinking, and encourages leadership through service. “Building Minds, Bridging Futures”

It is with immense pride and gratitude that we welcome you to VJPS MUN 2026, a conference that represents the very values upon which The Vigilante Foundation was established- leadership, dialogue, innovation, and youth empowerment. Our mission, Building Minds, Bridging Futures, is rooted in the belief that young people possess the potential to transform communities, shape policies, and create a more interconnected world.

Over the years, The Vigilante Foundation has worked tirelessly to provide platforms that encourage intellectual engagement and meaningful discourse. Our journey began with Vigilante MUN 1.0 (2024), an online conference that brought together nearly 100 delegates, laying the foundation for a growing movement of young leaders. Building upon this success, we organized Vigilante MUN 2.0 at Satyavati College, University of Delhi, on the 3rd and 4th May 2025, welcoming over 300 delegates. This was followed by Vigilante MUN 3.0 at The Prudence School, Ashok Vihar, which hosted more than 400 delegates, marking a significant milestone in our expansion.

Beyond our flagship conferences, we have proudly collaborated with educational institutions across the region. These include the K.R. Mangalam Model United Nations, Greater Noida, with over 200 delegates, the NERESA Model United Nations in December with approximately 250 delegates, the Epitome Youth Forum at Delhi World Public School, Greater Noida, hosting around 200 delegates, and the Chronos Summit at IIMT, Karkardooma, East Delhi, which brought together nearly 100 participants for impactful discussions and leadership development.

Each of these conferences has strengthened our conviction that empowering youth through dialogue creates lasting change. As we partner with Vidya Jain Public School for VJPS MUN 2026, we look forward to witnessing another chapter of excellence, diplomacy, and innovation.

Warm Regards,

The Vigilante Foundation
